Project Title: UPGG Website

Description: This project is a website that will showcase the UP Gamers' Guild. The site will contain information about UPGG including their origin, goals, committees, projects, and events.

Context Diagram:

Entities:

Students - The target audience; the ones who will peruse the site.
UPGG members - The content producer; they will provide the information to be put up on the site.

Major Inputs:
- organizational structure
- media content
- event updates
- twitch stream
- statistics on viewership, fanbase

Major Outputs:
- organizational structure
- media content
- event updates
- twitch stream
- statistics on viewership, fanbase

Major Functionalities:
- Host content in the website
- Link to their other media (youtube, twitch, etc.)
